

Make your voice heard *before* the proposed Enbridge Northern Gateway Pipelines and tankers come to *your* backyard

Now is your chance to speak up about the proposed Enbridge Northern Gateway Pipelines and tankers project.

The federal Joint Review Panel, responsible for reviewing the Enbridge Northern Gateway Pipeline and Tankers project, will hold community hearings along the proposed pipeline route beginning in January 2012. Anyone can make their voice heard by sending a **Letter of Comment** and/or by making an **Oral Statement** – speaking in person – at one of the community hearings – *it's your choice how you'd like to participate*. All you have to do is follow these simple steps:

How to Send a Letter of Comment to the Enbridge Review Panel

DEADLINE: the Panel and Enbridge must receive your letter by March 13, 2012, 11am Pacific

Write a letter to provide the Panel with your knowledge, opinion, or concerns. This can be as simple as a handwritten note—even one written by a child—or as detailed as a well-researched paper. Facts are important, but so are feelings. You can choose to include facts and argument in your letter, to make a heartfelt pitch, or to do both.

- Describe why you're concerned about the pipeline project;
- Provide any information that supports your comments;
- Include your name, full mailing address, phone number, and, if you are representing an organization, that organization's name;
- Refer to the project name (Enbridge Northern Gateway Project), Hearing Order number (OH-4-2011), and File number (OF-Fac-Oil-N304-2010-01 01).

Once sent, your letter will be posted on the Panel's public registry website and will be considered by the Panel.

HOW TO SEND A LETTER OF COMMENT: You have to send your letter both to the Review Panel *and* to Enbridge – a total of 4 copies to 4 different places. You can do this in a few different ways:

- **SEND YOUR LETTER TO THE PANEL** in one of two ways

How to Make an Oral Statement to the Enbridge Review Panel

DEADLINE: the Panel and Enbridge must receive your registration by October 6, 2011, 11am Pacific

You can also speak to the Panel in person by making an Oral Statement at one of the Community Hearings, in January or February 2012. In-person presentations may have a greater impact on the Panel than a letter: seeing real people express their thoughts, concerns, and emotions in relation to the Project is important for the Panel, as it makes its decision. The hearings will be open to the public.

Once you register, you can walk into the hearing and just speak from the heart about your concerns, or you can give a more detailed presentation. You can bring notes to help you, but how much you prepare for the hearing is up to you. Oral Statements be no longer than ten minutes. You will be asked by the Panel to confirm that your statement is true and may also be asked some questions to explain what you've said. *If you think you might want to participate but are unsure, it's better to register now – you can cancel later if you decide not to participate.*

HOW TO REGISTER TO MAKE AN ORAL STATEMENT: All you need to do is register with the Panel and notify Enbridge's representatives, by the above deadline. This means you send a total of 4 copies to 4 different places. You can do this in a few different ways:

- **REGISTER WITH THE PANEL** (there are a few different ways to do this):
 - **EITHER** On the Panel's website;
 - Visit www.gatewaypanel.review.gc.ca. Click "Submit documents electronically," under the "Public Registry" heading, then click "Oral statement."
 - **OR** by phone, toll-free: 1-855-202-4559;
 - **OR** by completing the "Registration to make an oral statement" form, available on the Panel's website, **OR**, if you'd rather not use the form, you can write a letter that includes the information requested on that form (for clarity, it is best to write a letter *separate* from your Letter of Comment). The form or the letter can be mailed, couriered, faxed or hand-delivered to the Secretary to the Joint Review Panel (address provided above);
- **AND SEND 3 COPIES TO ENBRIDGE:** mail, courier, fax, or hand deliver one hard copy of the completed registration form to each of Enbridge's representatives (addresses provided on the other page) by October 6, 2011.

Take Note If you plan to refer to documents (reports, maps, articles, letters, or any other evidence) in your oral statement, you have to send them to the Panel at least 2 weeks before the hearing.

What about becoming an Intervenor? An individual or group can also apply to become an Intervenor, by July 14th at 11am. An Intervenor is a full participant in the JRP process, with the right to file written evidence and oral evidence, and the right to question Enbridge and the government. This can take as much or as little work as you like – consult West Coast Environmental Law or Friends of Wild Salmon for more details.

Language If you wish to make a statement or oral presentation in a language other than English or French, such as an Aboriginal language, you will need to identify an interpreter and contact Louise Niro, Regulatory Officer, toll-free at 1-800-899-1265.
